The information in this section provides details about the benefits that may be payable, any applicable Exclusions and Limitations, and Other Features included in your coverage.

Benefits will only be payable for your death that occurs on or after your Coverage Effective Date.

Death Benefit We will pay your Life Benefit Amount, in accordance with the provisions of this certificate, if you die.

Accelerated Death Benefit This benefit provides an advance payment of your Death Benefit if you become Terminally Ill or have a Terminal Illness.

For purposes of this benefit, Terminally Ill or Terminal Illness is a medical condition:

- from which you are not expected to recover; and
- which is expected to result in your death within 12 months.

Benefits received under this Accelerated Death Benefit may be taxable. You should seek assistance from a personal tax advisor prior to requesting an accelerated payment of death benefits.

Accelerated Death Benefit Limitations

No Accelerated Death Benefit will be paid:

- if any required premium is due and unpaid;
- if you are not Terminally Ill at the time you apply for the Accelerated Death Benefit;
- without the Written consent of the assignee if you have assigned your rights under this certificate;
- without the Written consent of the beneficiary if you have named an irrevocable beneficiary;
- if a government agency requires you to use this benefit to apply for, obtain, or otherwise keep a government benefit or entitlement;
- if you are required by law to use this benefit to meet the claims of creditors, whether in bankruptcy or otherwise.

Accelerated Death Benefit Amount

The amount you may receive is up to 100% of your Life Benefit Amount.

The maximum amount is the lesser of:

- the maximum benefit available under this certificate; or
- \$250,000.

If your life insurance coverage is scheduled to reduce within 12 months of the date application for this benefit is received by us, the amount of life insurance coverage that can be accelerated will be limited to the amount that would be available after such reduction takes place.

Payment of an Accelerated Death Benefit

The Accelerated Death Benefit will be payable in a lump sum to you, after we receive proof of your Terminal Illness and benefit eligibility.

If you have assigned your rights under this certificate to an assignee or made an irrevocable beneficiary designation before benefits are payable, we must receive Written consent on a form acceptable to us that the assignee or irrevocable beneficiary has agreed to the accelerated benefit payment on your behalf.

If you die before we issue an Accelerated Death Benefit payment, no Accelerated Death Benefit will be paid. Instead, we will pay the Death Benefit in accordance with the provisions of this certificate.

Effect of the Accelerated Death Benefit payment on other benefit provisions

Your Death Benefit will be reduced by any amount paid under the Accelerated Death Benefit provision. Payment of an Accelerated Death Benefit will not reduce accidental

death and dismemberment insurance coverage.

Any Life Benefit Amount that would be continued under a disability continuation provision or that may be available under Conversion will be reduced by the amount of the Accelerated Death Benefit paid. The remaining Life Benefit Amount will be paid in accordance with the provisions of this certificate.

Upon request to accelerate your Death Benefit and upon the payment of the Accelerated Death Benefit, we will provide a statement to you and any assignee of record or irrevocable beneficiary of record demonstrating the effect of the acceleration on your Death Benefit.

Upon payment of the Accelerated Death Benefit, the certificate will remain in force, unless coverage terminates. Premium payments must continue to be paid on the full amount of your life insurance coverage in force prior to the payment of your Accelerated Death Benefit unless you are approved to have life premium waived in accordance with the Waiver of Premium section of this certificate.

Proof of Loss

Proof of Loss must be sent to us no later than 90 days after the date the claim is filed for an Accelerated Death Benefit. If it is not reasonably possible to provide Proof of Loss within this time period, it will not affect a Payable Claim if it is provided within one year, unless the Insured lacks the legal capacity to do so.

In no event can Proof of Loss be submitted after the expiration of the time limit for commencing Legal Action as stated in this certificate, even if the failure to provide Proof of Loss is due to a lack of legal capacity or if state law provides an exception to the one year time period.

Proof of Loss provided at your or your authorized representative's expense, must include, but not be limited to the following:

- satisfactory Written proof from your Physician certifying that you are Terminally Ill; and
- the appropriate documentation of your financial records, including but not limited to, Earnings and income tax returns.

If the Proof of Loss is not complete, we will request additional information.

This certificate is subject to all Exclusions in this section, unless stated otherwise in a specific provision.

Exclusions

This certificate does not cover any losses where death is caused by, contributed to by, or occurs as a result of suicide occurring within 24 months after:

- your initial Coverage Effective Date; and
- the date any increases or additional life insurance coverage becomes effective for you.

This exclusion will apply to any life coverage for which you pay all or part of the premium.

This exclusion will also apply to any life coverage that has been approved by us that is subject to the Evidence of Insurability Requirements.

You will be given credit towards the satisfaction of the time period of 24 months for any amount of time satisfied while coverage was effective under your Employer's prior group life insurance policy.

Conversion

Conversion rights provide you the option to convert group life insurance coverage to any type of individual level premium whole life plan(s) in use by Unum or another insurance company which has agreed to issue conversion policies according to this conversion right. Please refer to the provisions below for additional details.

Right to Convert

You may convert all or part of your life insurance coverage to an individual level premium whole life policy without submitting Evidence of Insurability when your life insurance coverage reduces or ends due to a Qualifying Event.

For purposes of this provision, Qualifying Event means:

- you cease to be in an Eligible Group;
- your employment ends;
- your continuation of coverage, if any, ends;
- your portability coverage, if any, ends;
- the group policy ends;
- the policy is changed to end life insurance for the Eligible Group to which you belong;
- or
- your life insurance coverage is reduced:
 - on or after you reach a certain age;
 - because you change from one eligible class to another; or
 - due to a change made by the Employer to the policy.

Life insurance coverage for you cannot be converted if coverage was terminated due to non-payment of premium.

Applying for Conversion

You must apply to convert coverage within the Conversion Application Period. The first premium payment for converted coverage is due at the time you submit the conversion application.

For purposes of this provision, Conversion Application Period means the 31 day period after the date of any Qualifying Event.

Applications for conversion, which include cost information, are available from the Employer, from us, or online at services.unum.com.

Notice of Right to Convert

Your Employer must notify you of your Right to Convert all or part of your life insurance coverage within 15 days from the end of the Conversion Application Period.

If your Employer does not notify you within those 15 days, the time allowed for you to exercise your Right to Convert will be extended for 25 days from the date you are notified.

In no event will the time allowed for you to exercise your Right to Convert be extended beyond 60 days from the end of the Conversion Application Period.

Life Insurance Coverage that can be Converted

Except as limited under Limits on Right to Convert, the maximum amounts that you can convert may not exceed your life insurance coverage lost under this certificate.

You may convert a lower amount of life insurance coverage.

Conversion is not available for any amount of life insurance for which you were not eligible for or covered for under this certificate.

Conversion is also not available for coverage which is being continued:

- in accordance with the Waiver of Premium section of this certificate;
- under the Portability Rider; or

- in accordance with the continuation provisions found in the End of Coverage section of this certificate until such coverage ends.

Coverage available for Conversion does not include the following services and benefits included in or with your certificate:

- Accelerated Death Benefits;
- Accidental Death and Dismemberment Benefits;
- Additional Services, including but not limited to, Employee Assistance Programs, Travel Assist, and Life Planning Financial and Legal Resources; or
- Waiver of Premium.

If you convert to an individual life policy, then return to work, and, again, become covered under this certificate, you are not eligible to convert to an individual life policy again. However, you do not need to surrender your individual life policy when you return to work.

Limits on Right to Convert

If your Insurance ends because of cancellation or changes to the policy, the following will apply:

You may convert a limited amount of life insurance coverage for you, if you have been covered under the Employer's group policy with us for at least five (5) years.

The maximum amount you have the right to convert is the lesser of:

- \$10,000; or
- your life insurance coverage under this certificate less any amounts that become available under any other group life policy offered by the Employer within 31 days after the date the policy is cancelled.

Death During the Conversion Application Period

If you die during the Conversion Application Period, we will pay a benefit equal to the maximum amount you were entitled to convert under the terms of this certificate.

If application and Premium payment has been made for an individual life conversion policy, any Premiums paid for the individual life conversion policy will be refunded. In no event will we be liable to pay a death benefit under both the group policy and the individual life conversion policy.

Premiums for Converted Insurance

Premiums for the converted life insurance coverage will be based on:

- your then attained age on the effective date of the individual life policy;
- the type and amount of insurance to be converted;
- our customary rates in use at that time; and
- the class of risk to which you belong.

If premium payment has been made, the individual life policy will be effective at the end of the Conversion Application Period.

Continuity of Coverage

Continuity of Coverage will protect you from having a lapse in group term life and accidental death and dismemberment insurance when your Employer changes insurance carriers to Unum from another insurance company. Continuity of Coverage also applies when your coverage changes from another carrier to Unum because the Employer merged with your prior employer or acquired your prior employer in whole or in part.

As used in this section, the following terms are defined as follows:

- Prior Policy means your Employer's prior group term life and accidental death and dismemberment insurance policy under which you were insured on the day before the effective date of the Unum policy; and
- Prior Plan Benefits means the group term life and accidental death and dismemberment benefits that would have been paid to you under the Prior Policy had that Prior Policy remained in force and you had continued to be insured.

Coverage Effective Date

You are In Active Employment on the Policy Effective Date or on the Date your Eligible Group is First Covered

You will be insured under the Unum policy for the amount you had in force with the Prior Policy, provided you:

- were covered under the Prior Policy on the day before the effective date of the Unum policy or on the date your Eligible Group is first covered due to the Employer merging with or acquiring your prior employer; and
- on the Unum Policy Effective Date or on the date your Eligible Group is first covered due to the Employer merging with or acquiring your prior employer, you are in Active Employment in an Eligible Group and satisfy any other eligibility requirements under the Unum policy.

If you were covered by the Prior Policy, you may increase or decrease coverage for you subject to the Coverage Amounts available during an initial Enrollment Period.

Evidence of Insurability is required for any increases in coverage.

If you were not covered by the Prior Policy, you may apply for any Coverage Amounts available during an initial Enrollment Period.

Evidence of Insurability is required for all life Coverage Amounts.

You are Not in Active Employment on the Policy Effective Date or on the Date your Eligible Group is First Covered Due to the Employer Merging with or Acquiring Your Prior Employer

Due to Injury or Sickness

We will provide limited coverage under the Unum policy for you provided you would have been eligible to become insured under the Unum policy on the Policy Effective Date or on the date your Eligible Group is first covered due to the Employer merging with or acquiring your prior employer. You will be insured under the Unum policy for the lesser of:

- the Prior Plan Benefits; or
- the benefits you would be eligible for under the Unum policy less any benefits paid or payable by the Prior Policy.

Coverage under this provision will continue until the earliest of:

- the date you no longer meet the definition of an Injury or Sickness;
- the date you return to Active Employment; or
- the date the period for disability extension of benefits or accrued liability, including Waiver of Premium, under the Prior Policy ends;
- in accordance with the End of Coverage provision.

Coverage for you is subject to payment of required premium and all other provisions of the Unum policy. Should coverage end under this provision and you are not eligible to become insured under the Unum policy, you will be eligible for Conversion.

On the date you return to Active Employment you will be insured for coverage under the Unum policy

Due to Other Covered Extended Absences

Continuity of Coverage

We will provide limited coverage under the Unum policy for you provided you would have been eligible to become insured under the Unum policy on the Policy Effective Date or on the date your Eligible Group is first covered due to the Employer merging with or acquiring your prior employer. You will be insured under the Unum policy for the lesser of:

- the Prior Plan Benefits; or
- the benefits you would be eligible for under the Unum policy less any benefits paid or payable by the Prior Policy.

If you are not in active employment due to a covered extended absence as outlined in the Continuation of Coverage During Extended Absences provision, we will consider your covered extended absence to have started on the effective date of this policy or on the date your Eligible Group is first covered due to the Employer merging with or acquiring your prior employer. Coverage under this provision will continue until the earliest of:

- the date you return to Active Employment;
- the earlier of:
 - the end of any covered extended absence covered under the Prior Policy; or
 - the end of any covered extended absence under the Continuation of Coverage During Extended Absences provision in the Unum policy; or
- in accordance with the End of Coverage provision.

Coverage for you is subject to payment of required premium and all other provisions of the Unum policy. Should coverage end under this provision and you are not eligible to become insured under the Unum policy, you will be eligible for Conversion.

On the date you return to Active Employment you will be insured for coverage under the Unum policy.

Waiver of Premium allows premiums to be waived for an Insured's Life coverage if you are disabled and meet the requirements outlined in the provisions below.

Waiver of Premium Description

Premiums may be waived for coverage if you:

- are Disabled prior to age 60; and
- satisfy the Elimination Period while remaining Disabled.

Paying for Coverage During Your Application for Waiver of Premium

To be eligible for coverage during your Elimination Period, and to maintain your right to convert your group life insurance coverage, you or your Employer must continue making premium contributions for coverage until you are notified of your approval for Waiver of Premium.

Upon approval of your Waiver of Premium claim and satisfaction of the Elimination Period, premium contributions for your life insurance coverage will not be required while you remain Disabled, subject to all other provisions of this certificate.

Waiver of Premium does not apply to AD&D insurance coverage. Premium contributions must continue for AD&D insurance coverage for you while you remain eligible under the certificate.

Premiums waived in accordance with this provision will not be deducted from a Payable Claim.

Elimination Period

The Elimination Period is the continuous period of time you must be Disabled. You must satisfy the Elimination Period before you are eligible for premiums for coverage to be waived.

Elimination Period	9 months
---------------------------	----------

While satisfying the Elimination Period, if you return to work for less than 30 continuous days with your Employer and go back out of work due to the same Injury or Sickness, this will be treated as a continuous disability. Days you worked will count towards satisfying the Elimination Period. If you return to work for more than 30 continuous days with your Employer, this will be treated as a new disability and a new Elimination Period will need to be satisfied.

If you are working for another employer during the Elimination Period this will be considered working during the Elimination Period and you will not be eligible for this Life Waiver of Premium benefit.

Definition of Disability for Waiver of Premium

For purposes of Waiver of Premium, Disability or Disabled means:

During the first 24 months

Due to an Injury or Sickness, you are unable to perform with reasonable continuity the Material and Substantial Duties of your job.

After the first 24 months

Due to the same Injury or Sickness, you are unable to engage with reasonable continuity in any other job in which you could reasonably be expected to perform satisfactorily in light of your age, education, training, experience, station in life, or physical and mental capacity.

The loss of professional or occupational licenses or certifications, by themselves, will not be considered a Disability.

Termination of Life Coverage While Satisfying the Disability Requirements

If an Insured's life insurance coverage terminates while satisfying the requirements for Waiver of Premium, Conversion may be available. Please refer to the Conversion provision shown in the Life Details Other Features section of the certificate.

Filing a Claim for Waiver of Premium

This provision should be used in lieu of the Filing a Claim provision in the Claim Provisions section of the certificate when filing a claim for Waiver of Premium.

If there are any questions on how to file a claim, please contact us or your Employer.

You must notify us immediately when you return to work in any capacity, regardless of whether you are working for your Employer.

Step 1 - Starting a Claim

Notice of a claim may be provided in Writing, online at: services.unum.com, or by contacting us directly at 1-800-635-5597. Notice of a claim must be provided within 90 days after the end of the Elimination Period. If it is not reasonably possible to provide notice of claim within this time period, it will not affect your claim if you show that it was not reasonably possible to provide such notice and you provide such notice as soon as it is reasonably possible.

Step 2 - Claim Forms

Claim forms may also be available from your Employer or from us online at: services.unum.com. The form has instructions on how to complete and where to send the claim.

We will send a claim form to you within 15 days from the date we receive your request for a claim form.

If you do not receive a claim form from us within 15 days after we receive your request for a claim form, you should submit a Written statement as to the nature and extent of the disability. This will be considered Proof of Loss.

Step 3 - Proof of Loss

Proof of Loss must be sent to us no later than 90 days after the end of the Elimination Period. If it is not reasonably possible to provide Proof of Loss within this time period, it will not affect a Payable Claim if it is provided within one year, unless you lack the legal capacity to do so.

In no event can Proof of Loss be submitted after the expiration of the time limit for commencing Legal Action as stated in this certificate, even if the failure to provide Proof of Loss is due to a lack of legal capacity or if state law provides an exception to the one year time period.

Proof of Loss, provided at your expense, must establish the nature and extent of the disability and include, but not be limited to the following:

- the date you were first unable to work due to Injury or Sickness;
- the existence and cause of your Injury or Sickness;
- that your Injury or Sickness limits you from performing with reasonable continuity the Material and Substantial Duties of your job;
- that your Injury or Sickness limits you from performing with reasonable continuity any other job in which you could reasonably be expected to perform satisfactorily in light of your age, education, training, experience, station in life, or physical and mental capacity;
- the name and address of any Hospital where treatment was received, including all attending Physicians; and
- documentation of your financial records, upon request and where appropriate, including but not limited to, Earnings and income tax returns.

If the Proof of Loss is not complete, we may require you to submit additional information.

Upon consideration of the required proof, we will notify you in Writing as to whether we will waive the premium for your life insurance coverage. Any such waiver of premium will end in accordance with the End of Waiver of Premium provision.

Step 4 - Continuing Proof of Loss

At our request, you must provide continuing Proof of Loss for your continuing disability during the duration of your claim. We will request continuing Proof of Loss as often as it is reasonably necessary to do so, but not more frequently than once every six months. It must be sent to us within 45 days from the date of our request.

After you or your authorized representative have satisfied the requirements of this provision, we will process and evaluate the information to determine if a claim is payable. We will notify you or your authorized representative of a claim decision and issue payment for a Payable Claim in accordance with the Payment of Benefits provision in the Claim Provisions section of this certificate.

Waiver of Premium Additional Details

While premiums are being waived, an Insured's Life and AD&D Benefit Amount will not increase or decrease due to a plan change made by the Employer.

If you become disabled while you are covered in accordance with the Continuation of your Coverage During Extended Absences provision in this certificate, we will use your approved Life and AD&D Benefit Amount in effect just prior to the date the extended absence began to determine the amount for which premiums may be waived.

If the policy is cancelled while your premium is being waived, coverage will continue in accordance with the End of Waiver of Premium provision.

Death During Waiver of Premium

If an Insured dies while premiums are being waived, Proof of Loss should be submitted to us after the Insured's death. In addition to the Proof of Loss requirements outlined in the certificate for an Insured's death, proof must also include supporting documentation that the Insured's disability continued without interruption from the date the Waiver of Premium started to the date of death.

End of Waiver of Premium

Waiver of Premium will automatically end on the earliest of:

- the date you recover, and you no longer are Disabled;
- the date you fail to provide us with Proof of Loss as requested;
- the date you refuse to have an examination by a Physician chosen by us;
- the date you reach age 65;
- the date you die.

The Conversion provision may be available for an Insured when the Waiver of Premium benefit ends. Please refer to the Conversion Privilege shown in the Life Details Other Features section of the certificate.

- if you elect to continue coverage for you under Portability of Life and Accidental Death and Dismemberment Insurance.

We will provide coverage for a Payable Claim that occurs while you are covered under this certificate.

Filing a Claim

Provide notice of a claim for benefits under this certificate as soon as possible. If there are any questions on how to file a claim, please contact us or your Employer.

Step 1 - Starting a Claim

Notice of a claim may be provided in Writing, online at: services.unum.com, or by contacting us directly at 1-800-635-5597. Notice of a claim should be provided within 30 days from the date of the death or Covered Loss. If notice of a claim is not provided within this time period, it will not affect a Payable Claim as long as notice is provided as soon as reasonably possible.

If the death or Covered Loss occurs before receiving notification of our decision on any Coverage Amounts subject to Evidence of Insurability Requirements, the coverage amount applicable to the claim will be the coverage previously approved and on file with us and your Employer.

Step 2 - Claim Forms

After receiving notice of a claim, we will send a claim form to you or your authorized representative within 15 days from the date we receive the notice of a claim. Claim forms may also be available from your Employer or from us online at: services.unum.com.

When you or your authorized representative receive the claim form, you or your authorized representative and your Employer must fill out your own section of the claim form and provide the Insured's Physician with the applicable section of the claim form. The Insured's Physician should complete their section of the form and send it directly to us.

If you or your authorized representative do not receive a claim form from us within 15 days after we receive notice of a claim, a Written statement from you or your authorized representative establishing the nature and extent of the Covered Loss or the death will be deemed Proof of Loss, if sent to us within the time limit stated in the Proof of Loss section below.

Completed claim forms may be submitted online or sent to us by mail, or fax:

Mailing Address: The Benefits Center
 P.O. Box 100158
 Columbia, South Carolina 29202-3158

Fax: (800) 447-2498

Step 3 - Proof of Loss

Proof of Loss must be sent to us no later than 90 days after the date of death or Covered Loss. If it is not reasonably possible to provide Proof of Loss within this time period, it will not affect a Payable Claim if it is provided within one year, unless the Insured lacks the legal capacity to do so.

In no event can Proof of Loss be submitted after the expiration of the time limit for commencing Legal Action as stated in this certificate, even if the failure to provide Proof of Loss is due to a lack of legal capacity or if state law provides an exception to the one year time period.

Proof of Loss, provided at your or your authorized representative's expense, must include, but not be limited to the following:

- a certified copy of the death certificate or other lawful evidence providing equivalent information;

Claim Provisions

- documentation of your financial records, upon request and where appropriate, including but not limited to, Earnings and income tax returns.

If the Proof of Loss is not complete, we may require you to submit additional information.

Step 4 - Continuing Proof of Loss

At our request, the Insured must provide continuing Proof of Loss during the duration of a claim. We will request continuing Proof of Loss as often as it is reasonably necessary to do so. It must be sent to us within 45 days from the date of our request.

Failure to provide continuing Proof of Loss within this time period may delay benefit payments until we receive the required proof.

After you or your authorized representative have satisfied the requirements of this provision, we will process and evaluate the information to determine if a claim is payable. We will notify you or your authorized representative of a claim decision and issue payment for a Payable Claim in accordance with the Payment of Benefits provision.

Authorization for Release of Information

We may require Written authorization from an Insured or an authorized representative to allow us to obtain necessary medical and non-medical information needed for Proof of Loss and Continuing Proof of Loss. Failure to provide us with Written authorization may result in the denial of a claim if the Insured or the authorized representative does not send proof to us and we are not able to obtain the proof required to make a claim decision.

Right to Exam, Test, or Interview

We may require the Insured to be examined or tested by one or more Physicians, other medical practitioners, or vocational experts of our choice as often as we may reasonably require during the pendency of the Insured's claim. We may also require the Insured to be interviewed by an authorized representative of ours.

We have the right to interview the Insured and to have the Insured examined or tested as often as is reasonably necessary. Any examination, test, or interview that we require will be at our expense. If the Insured fails to attend or fully participate, we will not pay benefits or we will stop sending benefits under this certificate.

Autopsy

We will have the right to request an Autopsy where it is allowed by law.

Payment of Benefits

All benefits will be paid to you, unless otherwise noted or unless we receive Written authorization to pay them elsewhere. This is an assignment of benefits, refer to the Assignment provision in the General Provisions section of this certificate.

In the event of your death, any unpaid benefits will be paid to your beneficiary in accordance with the Beneficiary Designation and Change provision.

Beneficiary Designation and Change

When a person becomes insured under this certificate, you are responsible for designating a primary and, if applicable, a contingent beneficiary in Writing for any benefits due in the event of the Insured's death. It is important to list the full name of each beneficiary and that all beneficiary designations are kept current and provided to us or the Employer. A beneficiary designation form may be available from the Employer or from us online at: services.unum.com.

You are the beneficiary for any Insured under this certificate while you are still living unless there is a valid change in beneficiary designation by an Insured. If you wish to change your beneficiary designation, you may do so by sending us or the Employer a completed, dated, and signed beneficiary designation change form. However, if you designated an irrevocable beneficiary, such beneficiary designation cannot be changed without the consent of the irrevocable beneficiary. Changes in beneficiary designations will take effect on the date notice of the beneficiary designation is signed by you.

Payment of Benefits will be administered based upon the currently available beneficiary designation on file with us or the Employer. If we have taken any action or made any

Claim Provisions

payment before receiving notice of a beneficiary designation, that beneficiary designation will not go into effect for those actions taken or payments made.

If more than one beneficiary is named and the order or share of payments is not designated, the beneficiaries will share equally. The share of a beneficiary who dies before you, the share of a beneficiary who is legally unable to receive benefits, or the share of benefits that are unallocated will pass to any surviving beneficiaries in proportion to their current allocations. The aggregated shares of benefits in excess of 100% will be deducted from surviving beneficiaries in proportion to their current allocations. If you, or a party legally acting on your behalf, has made an administrative error in completing the beneficiary designation form, we may, in our discretion, and when possible to do so, interpret the designation in a reasonable way to enable us to pay the benefits promptly.

If a beneficiary is not named, or if all named beneficiaries do not survive you, or the named beneficiary is legally unable to receive benefits, any benefits due will be paid to the first surviving family member in the order that follows:

- you;
- your Spouse;
- your natural offspring and legally adopted Children in equal shares;
- your mother or father, or if paying both, in equal shares; or
- your sisters and brothers in equal shares.

Instead of making a payment to a surviving family member, we have the right to pay any benefits due to your estate. If there are no surviving family members, or if we are unable to determine the appropriate beneficiary(ies), any benefits due will be paid to your estate. If there is no estate, benefits will be paid as required by law.

Also, at our option, we may pay up to \$1,000 to the person or persons who, in our opinion, have incurred expenses for an Insured's last Sickness and death. Any such payment will reduce the Life or AD&D Benefit Amount payable by us.

Methods of Payment

If an Insured's Life or Accidental Death or Dismemberment claim is less than \$10,000, we will pay it in one lump sum to you or your beneficiary.

If the Life or Accidental Death or Dismemberment claim is \$10,000 or more, we will pay an Insured's Life or Accidental Death or Dismemberment claim to you or your beneficiary through a Retained Asset Account.

Upon Written request, other payment options may be available to you or your beneficiary.

Payments to a Minor or Incompetent Insured or Insured's Beneficiary

If an Insured or an Insured's beneficiary is a minor or is incompetent, we can pay up to \$2,000 to the person or institution that appears to have assumed the custody and main support of the Insured, the minor, or the Insured's beneficiary unless or until that Insured, the minor, or the Insured's beneficiary's appointed legal representative makes a formal claim. If we pay benefits to such person or institution, we will not have to pay those benefits again. Any such payment will reduce the Life or AD&D Benefit Amount payable by us.

Overpayment of Claims

We have the right to recover any overpayments due to:

- fraud;
- misstatement of information; or
- any error we make in processing a claim.

We must be reimbursed in full. If it is not possible to reimburse us in a lump sum payment, we will develop a reasonable method of repayment. This may include reducing or withholding future payments.

Legal Actions

If you or your authorized representative disagree with our decision, you or your authorized representative can start Legal Action regarding your claim 60 days after Proof of Loss has been given to us and up to three years from the latest of when:

Claim Provisions

- original Proof of Loss was first required to have been given to us;
 - your claim was denied; or
 - your benefits were terminated,
- unless applicable law requires us to afford a longer period within which to bring Legal Action.

Portability of Group Life and Accidental Death and Dismemberment Insurance

Portability allows Life and Accidental Death and Dismemberment coverage to be continued when Life and Accidental Death and Dismemberment coverage under the Employer's group policy would otherwise end due to a Portability Event. The Certificate of Coverage (the "certificate") in force at the time of an Insured's Portability Event will reflect the terms and conditions of the Life and Accidental Death and Dismemberment coverage that can be continued.

This Portability rider is made a part of the Life and Accidental Death and Dismemberment Insurance Policy and is subject to all of the provisions, limitations and exclusions of the policy and certificate, unless changed or added by this rider.

All references to provisions, sections, and defined terms have been capitalized. Defined terms that have been capitalized within this rider have the same meaning as the defined terms capitalized in the certificate unless changed or added by this rider.

Any future changes made in the Employer's group policy will not apply to coverage an Insured has ported, unless required by law.

If you have any questions about the terms and provisions of this Portability rider, please contact your Employer, or you may contact us.

Portability Provisions

Portability Events

Coverage may be ported if coverage ends under the Employer's policy due to the following:

- your employment with your Employer ends;
- you are no longer in an Eligible Group;
- you retire from your Employer; or
- you continue to work for your Employer but begin working less than the minimum number of hours as described under Eligible Groups in the certificate.

Coverage may not be ported if coverage ends under the Employer's policy due to any of the following:

- the Employer's policy is cancelled by us;
- your Employer terminates business operations;
- your Employer cancels the policy;
- your Employer fails to pay group policy premium;
- the Employer's policy is changed to exclude the group of Employees to which you belong; or
- your coverage is no longer being continued under the Continuation of your Coverage During Absences provision.

Portability Restrictions

You are not eligible to port coverage for you if at the time of a Portability Event:

- you were not insured under your Employer's policy;

- you have reached age 70; or
- you are Confined in a Hospital or confined at home.

If we determine that you were not eligible for Portability at the time you applied for portable coverage, the benefit will be adjusted to the amount of whole life coverage the premium would have purchased under the Conversion provision.

Coverage Available for Portability

Coverage Available for Portability does not include any coverage for which an application to convert has been approved.

For purposes of this section, Benefit Amount means the total Benefit Amount in force for which you are insured under the certificate just prior to your Ported Coverage Effective Date.

The maximum amount of coverage available to port is the lesser of:

- your Benefit Amount;
- 5x your annual Earnings; or
- \$750,000 from all Unum group life and accidental death and dismemberment plans combined.

The minimum amount of coverage available to port is the lesser of:

- your Benefit Amount; or
- \$10,000.

If your Benefit Amount was based on your Earnings, the amount of coverage available to port will be in \$1,000 increments and will not be connected to any future changes in Earnings.

The amount of your ported life insurance coverage must be equal to or greater than the amount of ported AD&D insurance coverage.

Coverage Available for Portability does not include the following services and benefits included in or with your certificate:

- Accelerated Death Benefits;
- Additional Services, including but not limited to, Employee Assistance Programs, Travel Assist, and Life Planning Financial and Legal Resources;
- Air Bag Benefit for AD&D;
- Common Carrier and Motor Vehicle Benefit;
- Education Benefit;
- Exposure and Disappearance Benefit;
- Helmet Benefit;
- Repatriation Benefit;
- Seatbelt(s) Benefit for AD&D;
- Spouse Education Benefit; and
- Waiver of Premium.

Ported Coverage Reductions Due to an Insured's Age

Any Insured's ported coverage will reduce at any time it would reduce for your Eligible Group if you had continued in Active Employment with your Employer; however, all coverage reductions will happen on your birthday for all Insureds.

Applying for Portability

You must apply to port coverage within 31 days from the date of a Portability Event. The first premium payment for your ported coverage is due at the time you submit your application.

Applications for Portability are available from your Employer, from us, or online at services.unum.com.

Notice of Option to Port

Your Employer must notify you of your option to port all or part of your life insurance coverage within 15 days from the Portability Event.

If your Employer does not notify you within those 15 days, the time allowed for you to exercise your option to port will be extended for 25 days from the date you are notified.

In no event will the time allowed for you to exercise your option to port be extended beyond 60 days from the Portability Event.

Ported Coverage Effective Date Once an application for portability has been received and approved, the Ported Coverage Effective Date for an Insured will be the day after coverage would have otherwise ended under the Employer's policy.

Changes to Ported Coverage An Insured's coverage cannot be increased above the amount in force at the time an Insured becomes eligible for port.

You may decrease ported coverage for an Insured at any time. Ported coverage cannot be increased at any time for an Insured.

Decreases in coverage will take effect on the date we process the change.

Any decrease in ported coverage will not affect a Payable Claim that occurs prior to the decrease.

End of Ported Coverage If you choose to cancel your ported coverage, coverage will end on the earlier of:

- the first of the month following the date you provide notification to us; or
- the last day of the period any required premium contributions are made.

Otherwise, your ported coverage will end on the earliest of:

- the date you fail to pay the required premium within 31 days of a premium due date;
- the date coverage provided under Portability is cancelled by us upon 31 days of Written notice that we are canceling continuation of coverage under similar group policies issued in similar markets;
- the first of the month following the date you reach age 75; or
- the date you die.

Once ported coverage ends for you, it cannot be reinstated.

In the event your Employer's policy is terminated, Insureds who have continued their coverage under Portability of Life and Accidental Death and Dismemberment Insurance prior to the Employer's policy termination date will not be affected.

Paying for Ported Coverage You must make all premium contributions for ported coverage. We will bill you directly for any premium due.

Rates for Ported Coverage The premium for ported coverage is based on the rates in effect for Portability on the date you apply to port coverage. Rates for ported coverage are determined by us and may be changed at any time.

We will provide Written notice at least 31 days before any change is to take effect.

Additional Options for Continuing Coverage If you are not eligible to port life insurance coverage or ported life insurance coverage ends, you may be eligible for Conversion. Please refer to the Conversion provision in your certificate.

Death During the Portability Application Period If an Insured dies within 31 days from the date of a Portability Event, any life insurance amount that was eligible for conversion will be payable in accordance with the Conversion provision of the certificate. This life insurance coverage is available whether or not ported life insurance coverage was applied for an Insured under this Portability Rider.

Any premiums paid for the Portability coverage shall be refunded.

IMPORTANT NOTICE TO APPLICANT/BUYER REGARDING ACCELERATED DEATH BENEFITS

Receipt of accelerated death benefits may affect eligibility for public assistance programs, such as Medi-Cal or Medicaid. Under special circumstances, Unum is allowed an additional period of not more than 90 days (180 days in total) within which to notify you of its decision. If such an extension is required, you will receive a written notice from Unum indicating the reason for the delay and the date you may expect a final decision. Unum's notice of denial shall include:

- the specific reason or reasons for denial with reference to those Plan provisions on which the denial is based;
- a description of any additional material or information necessary to complete the claim and why that material or information is necessary; and
- a description of the Plan's procedures and applicable time limits for appealing the determination, including a statement of your right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

If a claim is based on your disability

Unum will give you notice of the decision no later than 45 days after the claim is filed. This time period may be extended twice by 30 days if Unum both determines that such an extension is necessary due to matters beyond the control of the Plan and notifies you of the circumstances requiring the extension of time and the date by which Unum expects to render a decision. If such an extension is necessary due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days within which to provide the specified information. If you deliver the requested information within the time specified, any 30-day extension period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your claim without that information.

If your claim for benefits is wholly or partially denied, the notice of adverse benefit determination under the Plan will:

- state the specific reason(s) for the determination;
- reference specific Plan provision(s) on which the determination is based;
- provide you with an explanation of the basis for disagreeing or not following the views of:
 - 1) health care professionals who have treated you or vocational professionals who have evaluated you;
 - 2) the advice of medical or vocational professionals obtained on behalf of the plan; and
 - 3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you;
- describe additional material or information necessary to complete the claim and why such information is necessary;
- describe Plan procedures and time limits for appealing the determination, and your right to obtain information about those procedures and the right to bring a lawsuit under Section 502(a) of ERISA following an adverse determination from Unum on appeal; and
- disclose any internal rule, guidelines, protocol or similar criteria relied on in making the adverse determination or state that such, etc. do not exist.

Any cancellation or discontinuance of your disability coverage that has a retroactive effect will be treated as an adverse benefit determination, except in the case of failure to timely pay required premiums or contributions toward the cost of coverage.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

If you live in a county with a significant population of non-English speaking persons the plan will provide, in those non-English languages, a statement of how to access oral and written language services in those languages.

Appeal Procedures

If an appeal is based on death, a covered loss not based on disability, or for the Education Benefit

If you or your authorized representative appeal a denied claim, it must be submitted within 60 days after you receive Unum's notice of denial. You have the right to:

- submit a request for review, in writing, to Unum;
- upon request and free of charge, reasonable access to and copies of, all relevant documents as defined by applicable U.S. Department of Labor regulations; and
- submit written comments, documents, records and other information relating to the claim to Unum.

Unum will make a full and fair review of the claim and all new information submitted whether or not presented or available at the initial determination, and may require additional documents as it deems necessary or desirable in making such a review. A final decision on the review shall be made not later than 60 days following receipt of the written request for review. If special circumstances require an extension of time for processing, you will be notified of the reasons for the extension and the date by which the Plan expects to make a decision. If an extension is required due to your failure to submit the information necessary to decide the claim, the notice of extension will specifically describe the necessary information and the date by which you need to provide it to us. The 60-day extension of the appeal review period will begin after you have provided that information.

The final decision on review shall be furnished in writing and shall include the reasons for the decision with reference, again, to those policy provisions upon which the final decision is based. It will also include a statement describing your access to documents and describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the determination.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

If an appeal is based on your disability

You have 180 days from the receipt of notice of an adverse benefit determination to file an appeal.

Requests for appeals should be sent to the address specified in the claim denial. A decision on review will be made not later than 45 days following receipt of the written request for review. If Unum determines that

special circumstances require an extension of time for a decision on review, the review period may be extended by an additional 45 days (90 days in total). Unum will notify you in writing if an additional 45-day extension is needed.

If an extension is necessary due to your failure to submit the information necessary to decide the appeal, the notice of extension will specifically describe the required information, and you will be afforded at least 45 days to provide the specified information. If you deliver the requested information within the time specified, the 45-day extension of the appeal period will begin after you have provided that information. If you fail to deliver the requested information within the time specified, Unum may decide your appeal without that information.

You will have the opportunity to submit written comments, documents, or other information in support of your appeal. You will have access to all relevant documents as defined by applicable U.S. Department of Labor regulations. The review of the adverse benefit determination will take into account all new information, whether or not presented or available at the initial determination. No deference will be afforded to the initial determination.

The review will be conducted by Unum and will be made by a person different from the person who made the initial determination and such person will not be the original decision maker's subordinate. In the case of a claim denied on the grounds of a medical judgment, Unum will consult with a health professional with appropriate training and experience. The health care professional who is consulted on appeal will not be the individual who was consulted during the initial determination or a subordinate. If the advice of a medical or vocational expert was obtained by the Plan in connection with the denial of your claim, Unum will provide you with the names of each such expert, regardless of whether the advice was relied upon.

Prior to a final decision being made on an appeal, you will have the opportunity to review and respond to any new or additional rationale or evidence considered, relied upon, or generated by the plan in connection with your claim.

A notice that your request on appeal is denied will contain the following information:

- the specific reason(s) for the determination;
- a reference to the specific Plan provision(s) on which the determination is based;
- an explanation of the basis for disagreeing or not following the views of:
 - 1) health care professionals who have treated you or vocational professionals who have evaluated you;
 - 2) the advice of medical or vocational professionals obtained on behalf of the plan; and
 - 3) any disability determination made by the Social Security Administration regarding you and presented to the plan by you.
- a statement disclosing any internal rule, guidelines, protocol or similar criteria relied on in making the adverse determination or a statement that such rules, etc. do not exist;
- a statement describing your right to bring a lawsuit under Section 502(a) of ERISA if you disagree with the decision;
- the statement that you are entitled to receive upon request, and without charge, reasonable access to or copies of all documents, records or other information relevant to the determination;
- the statement that "You or your Plan may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency"; and
- you will be given notice of any applicable contractual limitation period that applies to your right to bring legal proceedings and the calendar date on which that period expires.

Notice of the determination may be provided in written or electronic form. Electronic notices will be provided in a form that complies with any applicable legal requirements.

Unless there are special circumstances, this administrative appeal process must be completed before you begin any legal action regarding your claim.

Your Rights Under ERISA

As a participant in this Plan you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA). ERISA provides that all Plan participants shall be entitled to:

Receive Information About Your Plan and Benefits

Examine, without charge, at the Plan Administrator's office and at other specified locations, all documents governing the Plan, including insurance contracts, and a copy of the latest annual report (Form 5500 Series) filed by the Plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.

Obtain, upon written request to the Plan Administrator, copies of documents governing the operation of the Plan, including insurance contracts, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The Plan Administrator may make a reasonable charge for the copies.

Receive a summary of the Plan's annual financial report. The Plan Administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for Plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your Plan, called "fiduciaries" of the Plan, have a duty to do so prudently and in the interest of you and other Plan participants and beneficiaries. No one, including your Employer or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of Plan documents or the latest annual report from the Plan and do not receive them within 30 days, you may file suit in a federal court. In such a case, the court may require the Plan Administrator to provide the materials and pay you an inflation adjustable daily penalty until you receive the materials, unless the materials were not sent because of reasons beyond the control of the Plan Administrator.

Should the plan fail to establish or follow ERISA required disability claims procedures, you may be entitled to pursue legal remedies under section 502(a) of the Act without exhausting your administrative remedies, as more completely set forth in section 503-1(l).

If you have a claim for benefits that is denied or ignored, in whole or in part, you may file suit in a state or federal court. If it should happen that Plan fiduciaries misuse the Plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, if, for example, it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your Plan, you should contact the Plan Administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the Plan Administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, D.C. 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

OTHER RIGHTS

Unum for itself and as claims fiduciary for the Plan, is entitled to legal and equitable relief to enforce its right to recover any benefit overpayments caused by your receipt of disability earnings or deductible sources of income from a third party. This right of recovery is enforceable even if the amount you receive from the third party is less than the actual loss suffered by you but will not exceed the benefits paid you under the policy. Unum and the Plan have an equitable lien over such sources of income until any benefit overpayments have been recovered in full.

DISCRETIONARY ACTS

The Plan grants to itself the discretionary authority to make all benefit determinations under the Plan.

The Plan, acting through the Plan Administrator, delegates to Unum Insurance Company ("Unum") and its parents and affiliates the discretionary authority to make all benefit determinations pursuant to Plan documents, which include insurance policies and other documents evidencing funding for benefits provided under the Plan. Unum may act directly or through its parents, employees and agents, or further delegate its authority through contracts, letters or other documentation or procedures to other affiliates or entities. Benefit determinations include determining eligibility for benefits and the amount of any benefits, resolving factual disputes, and interpreting and applying Plan terms and conditions. Exercising discretionary authority requires that a benefit determination must be made on a principled and reasoned basis, consistent with a reasonable interpretation of the terms of the Plan or insurance policy, and supported by the facts and circumstances of each claim.

Once you are deemed to have exhausted your appeal rights under the Plan, you have the right to seek court review under Section 502(a) of ERISA of any benefit determinations with which you disagree. The court will determine the standard of review it will apply in evaluating those decisions.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that the member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

Persons Covered

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

Amounts of Coverage

The basic coverage protections provided by the Association are as follows:

Life Insurance, Annuities and Structured Settlement Annuities

For life insurance policies, annuities and structured settlement annuities, the Association will provide the following:

- Life Insurance
 - 80% of death benefits but not to exceed \$300,000
 - 80% of cash surrender or withdrawal values but not to exceed \$100,000
- Annuities and Structured Settlement Annuities
 - 80% of present value of annuity benefits, including net cash withdrawal and net cash surrender values but not to exceed 250,000

The maximum amount of protection provided by the Association to an individual, for all life insurance, annuities and structured settlement annuities is \$300,000, regardless of the number of policies or contracts covering the individual.

Health Insurance

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016 is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which the insurer became an insolvent insurer. Changes to this amount will be posted on the Association's website www.califega.org.

COVERAGE LIMITATIONS AND EXCLUSIONS FROM COVERAGE

The Association may not provide coverage for this policy. Coverage by the Association generally requires residency in California. You should not rely on coverage by the Association in selecting an insurance company or in selecting an insurance policy.

The following policies and persons are among those that are excluded from Association coverage:

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract.
- A policy issued by a health care service plan (HMO), a hospital or medical organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society.
- If the person is provided coverage by the guaranty association of another state.
- Unallocated annuity contracts; that is, contracts which are not issued to and owned by an individual and which do not guaranty annuity benefits to an individual.
- Employer and association plans to the extent they are self funded or uninsured.
- A policy or contract providing any health care benefits under Medicare Part C or Part D.
- An annuity issued by an organization that is only licensed to issue charitable gift annuities.
- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as certain investment elements of a variable life insurance policy or a variable annuity contract.
- Any policy of reinsurance unless an assumption certificate was issued.
- Interest rate yields (including implied yields) that exceed limits that are specified in Insurance Code Section 1067.02(b)(2)(C).

NOTICES

Insurance companies or their agents are required by law to give or send you this notice. Policyholders with additional questions should first contact their insurer or agent.
